### FIVE DEATHS

am Vellow Ferer at New Orleans Mon-tia: This Makes 100 Denths Out of a Folia of Less Thin 200 Cases. New Onniana Oct. 10.—Before seven clock Monday evening the 100 mark

of deaths during the present period of yellow fever prevalence had been reached. When the board of health closed its books Sunday night there had been by fatal cases. Between Sunday night and nightfall Monday seven Jewils were reported. This century deaths were reported. Into century of deaths has occurred as among less than 200 cases that have been reported to the board since early in September when the first case made its appearance in New Orleans. As usual, however, Monday's record has been swelled by the terrible criminal neglect of the poor-er classes. The record Monday was by no means reassuring. Farly Monday evening the new cases exceeded 50 unst the deaths had reached seven and the means and resement seven and theretofore the greatest number of deaths on a single day has been nine. The cases, as on other days, have bobbed up in all directions. The quar-The Indian burean offers the best opportunities for women under the government.
